JoinHealth

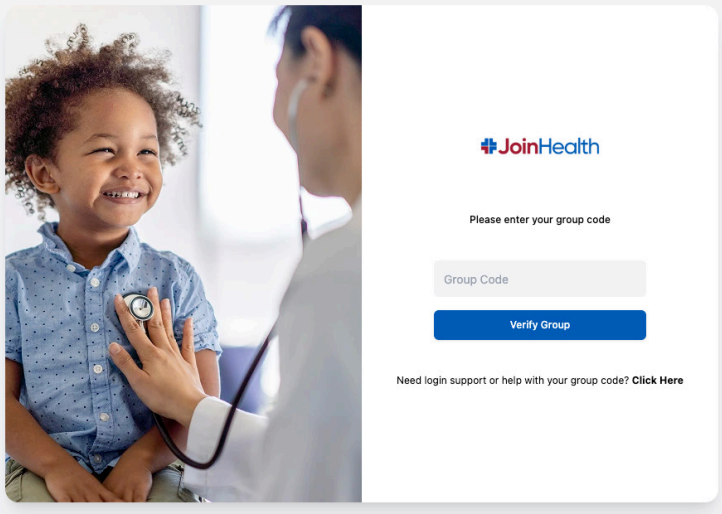

Registration Guide

Welcome to JoinHealth™, the go-to resource for managing your health with ease! This guide will walk you through how to create an account, unlocking a range of tools to help you meet your health and wellness goals.

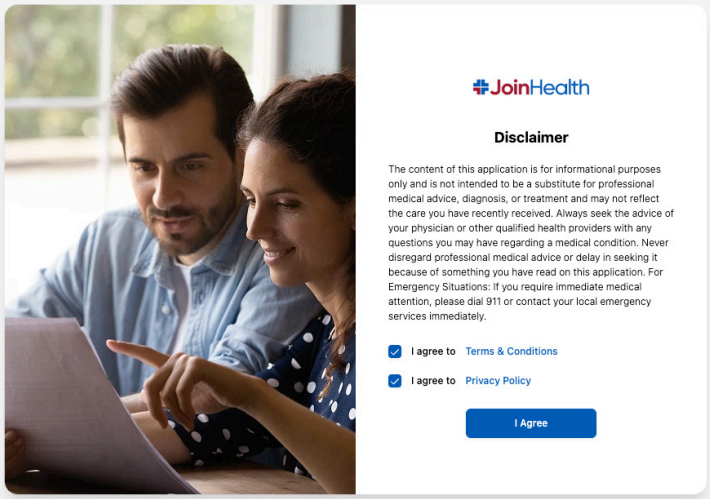

From effortlessly managing claims and viewing policy details to accessing exclusive health resources, JoinHealth delivers a seamless and personalized benefits experience. Let's embark on this journey toward well-being together! To get started, visit **joinhealth.cobaltbenefitsgroup.com** or scan the QR code.

1. Enter Group Code

Once on the JoinHealth member portal, enter "CBABLUE" in the Group Code field and click "Verify Group."

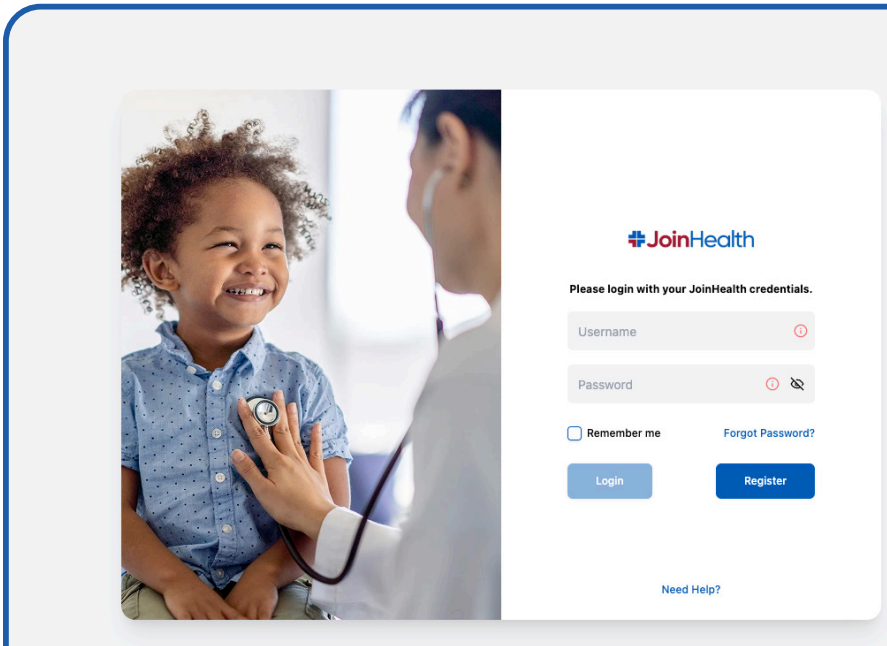

2. Accept License Agreement

After reading the Terms & Conditions and Privacy Policy, check the boxes to accept. Then, click the "I Agree" button.

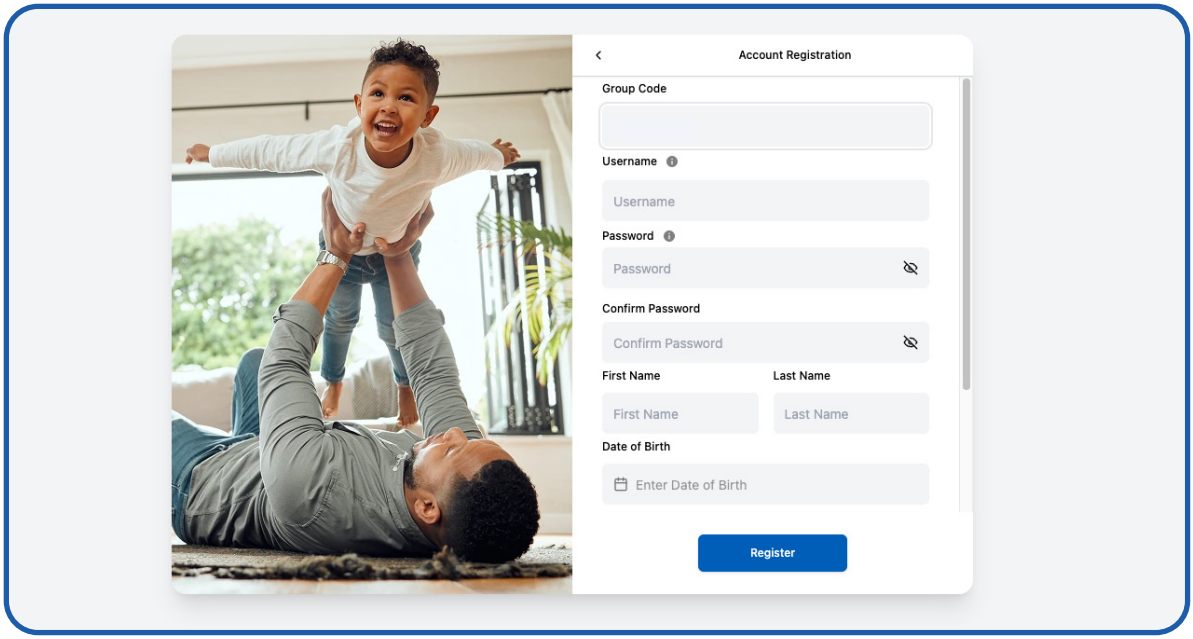

3. Create Your Account

Click the "Register" button to create your account

4. Enter Your Information

Enter the information needed to create your new JoinHealth account. This includes your username, password, name, date of birth, email address, and phone number. You will also need to verify your personal information by including either your Member ID (exactly as it appears on your ID card) or the last four digits of the employee's Social Security Number. After completing all fields, click "Register."

5. Access JoinHealth

Congratulations! You can now access your JoinHealth member portal.
